EDUCATION

The University of Georgia, Athens, GA — May 2027

- **Major**: B.B.A in Finance & Management Information Systems, Certificate in Fintech
- **GPA**: 3.7/4.0
- **Honors**: Zell Miller Scholarship (100% Tuition)
- **Relevant Coursework**: Accounting, Data Analysis for Business, Corporate Finance, Data Management and Analytics (SQL), Financial Modeling, Investment Management, IT Infrastructure, Principles of Fintech, Project Management, Private Equity

LEADERSHIP / RELEVANT EXPERIENCE

R.R. Properties, *Property Management and Analyst Intern*, Columbus, GA — May 2026 - July 2026

- Leveraged AI-driven property intelligence tools, including SkipTrace AI**,** to perform targeted discovery, evaluate lead confidence scores, unmask complex LLC ownership records, and enrich automated data pipelines for potential asset acquisitions
- Gained hands-on exposure to property workflows using SAP RE-FX, observing master data structuring across business entities and rental objects, lease contract mapping, and automated general ledger financial posting across portfolio operations
- Managed rental updates, tenant communications, and predictive cash flow forecasting across 100+ doors, analyzing historical occupancy patterns and expense trends to project future revenue streams and evaluate Net Operating Income (NOI)

TSYS X University of Georgia, *Project Member*, Athens, GA — August 2025 - December 2025

- Conducted a sponsor-backed fintech strategy analysis, evaluating stablecoin investment strategies across payments infrastructure
- Analyzed use cases including cross-border payments, real-time merchant settlement, stablecoin linked debit cards, and treasury services, considering market readiness, regulatory risk, and evolving competitive landscape within global payments
- Collaborated in a cross-functional team, meeting weekly with TSYS project sponsor, to align on project milestones, incorporate stakeholder feedback, and to deliver data-driven recommendations and present findings to fintech industry professionals

Amazon, *Operational Strategy & People Analytics Externship*, Virtual — July 2025 - October 2025

- Conducted workforce data analysis, sentiment analysis, predictive modeling, and trend forecasting of unstructured employee feedback to identify attrition risks, productivity blockers, and operational pain points within Amazon Fulfillment Centers
- Utilized Python scraping, qualitative analysis, thematic coding, and data visualization to create segmented cohort profiles, uncovering role-specific challenges and providing targeted recommendations for HR strategy and workforce planning
- Produced strategy decks and briefing notes that translated frontline insights into actionable people operations, organizational strategy, process improvement, workforce optimization, and operational recommendations

Syed Investments LLC, *Co-Founder and Property Manager*, Columbus, GA — January 2020 - August 2024

- Co-founded and managed a real estate investment company with over $3.5 million in property assets
- Managed bookkeeping and financial records, tracking expenses, income, and cash flow for 50+ properties at once to ensure accurate property management and support financial decision-making while achieving consistent annual revenue growth of 25%
- Leveraged Excel, Microsoft Office applications, and Buildium to organize property data and maintain accurate records
- Conducted market research and financial analysis, resulting in a 15% improvement in ROI on investment properties

CAMPUS AND COMMUNITY INVOLVEMENT

Women of Color Advancing Peace, Security, and Conflict Transformation, *Treasurer*, Athens, GA — August 2025 - Present

- Led and executed fundraising initiatives that increased funding by 50%, developing creative events that expanded resources to strengthen WCAPS's mission of empowering women and students of color in peace, security, and social justice
- Directed WCAPS's financial activities, including overseeing budgeting processes, and maintaining detailed financial records

Aashiya Initiative, *Vice President*, Athens, GA — March 2025 - Present

- Lead strategic planning, direct operations, and oversee fundraising and community outreach to support underserved communities in Athens and Atlanta, distributing 50+ donation bags to families in need
- Collaborate with the President to develop initiatives, manage resources, manage partnerships, volunteer coordination, and initiative execution, ensuring the success of food drives, community kitchen sponsorships, and educational support programs
